Science and Technology (KAIST)

Conference 2021 topics

Responsible use of AI technology

Keeping control over the AI

Vulnerabilities of AI and Cyber Security

Risk of misusing AI in Hybrid Warfare

Human—AI collaboration

New proficiency and skills needed

Legal and ethical issues

AI in Space

Earth Observation

Space Observation

Student section and connected workshop

Call for papers to students involved in ECSC 2021

3 selected students will give a lecture in main conference section

Connected workshop and panel discussion for other students

The main competition

ecsc
2021

The main competition

The concept of the competition remains the same

Time schedule same—2 days

We use the ECSC Scoreboard platform for challenges

The score will be calculated in the same way as in Romania ESCS2019

HW tasks will be...

BT room too...

New elements

Content streaming

accompanying activities and news from the competition
make ESCS more attractive for those who watch the
competition at home

New elements

International team on the scene

show and strengthen the spirit of EU cooperation
practice in leadership and cooperation skills for
juniors

International team rules

Play of the international team does not affect the results of the national teams

Tasks are focused on the ability to work in a team (more escape game than CTF)

Tasks have a time limit to solve

The international team will play at the same time as the national teams (parallel game)

The maximum length of the International team game is 4 hours a day

How will the International Team be formed?

First possibility

Each country will provide one participant from the national team (scheme 10 + 0)

Second possibility

For the international team, the new player will be part of the international team at ECSC (scheme 10 + 1)

Media Channels

Media Channels

@ecsc2021

The background is a deep space scene. On the right side, there is a cluster of several dark, irregularly shaped asteroids of varying sizes. On the left side, there is a large, diffuse nebula with wispy, cloud-like structures in shades of blue and purple. The entire scene is set against a dark, star-filled sky.

Thank you!
